### Mission to Restore Vision in vanni for the under privileged

We were able to help 100 under privileged people to restore vision by organizing a Cataract Camp in vanni on the 25<sup>th</sup> & 26<sup>th</sup> July'15.

This enables these people to carry out their basic day to day activities successfully. Thanks to Assist RR (UK) and vision 2020 who has taken the initiative to help us to execute this

project under difficult situation prevailing in Sri Lanka.
